Just had my first session with easy flute & piano duets with my 9 yr. old granddaughter. Catherine is just starting her 2nd year of flute lessons & was able to sight read her first choice to learn, Brahms's Lullaby. She still needs to work on a lot of things (breath control, pitch, etc.) but we had a ton of FUN playing together (I'm the piano part of the duet, but also play the flute). Highly recommend for you grandparents!

Fun easy music that I can actually accompany my daughter. I don't play the piano well, but I could sightread these. We are both enjoying the book :)

The piano CD had accompaniments that were in a different key than the book. Totally unuseable

excellent selection of recognizable classics. my granddaughter is very pleased to have some additional music to play. she is at an easily bored stage (maybe that doesn't go away????) anyhow--I highly recommend this for any beginner flute player. it is both easy to play and easy to listen to.
